The Kiddle

Where curiosity grows through play and creativity

Jungle Mission Pack

Kiddler - You've been chosen for a jungle mission… 🌿
Your goal? Explore, solve clues, and complete challenges to become a Jungle Hero!

A Note for Parents:

In the next 30–45 minutes, your child will:

✔ Stay fully engaged
✔ Think, imagine, and solve independently
✔ Build early learning skills without even realizing it
👉 And you don't have to plan a thing.

This isn't just a worksheet…It's a guided play session designed to feel like a mini adventure.

🎨 Mission 1: Choose Your Path

👉 Choose wisely, Explorer. Your journey begins here.

You walk through tall trees. Leaves crunch under your feet. The jungle is warm and smells like rain. Then — you hear TWO things at the same time - one from left other from right!

Which way do you go?

🦁 ← GO LEFT

You hear a low ROAR from the left… it sounds big. It sounds close. Maybe it's friendly?

Draw what you think you'll find! 🖍️

OR

💧 GO RIGHT →

You hear SPLASHING from the right… something is playing in the water. Could it be a new friend?

Draw what you think you'll find! 🖍️

🌟 What happens next? (Read ONLY your chosen path!)

🦁 You went LEFT!

You peek through the **leaves**.
It's a lion **cub**!
It is **lost** and **crying**.
You help it find its **mama**.
The mama lion licks **your hand**.
You are a **hero**!

💧 You went RIGHT!

You find **three turtles** throwing balls in the air!
They see you and stop.
Then one turtle throws a **ball** to YOU.
You **catch** it!
Now you are part of the **team**.

Parent Tip: Ask your child what would happen if they had gone the other way?

🔍 Mission 2: Unlock the Hidden Jungle Clue

Connect the dots in order and discover the shape!

🧠 Mission 3: Solve the Jungle Puzzles

The jungle animals need your help!. Circle the right answer:

I have 4 legs, I say 'Woof!' and I love to fetch sticks. What am I?

I am black and white, I live in cold icy places, and I cannot fly. What am I?

I have 8 legs, I spin webs, and bugs get stuck in them. What am I?

The jungle animals need your help!. Circle the one that does NOT belong:

📚 Mission 4: Crack the Jungle Code

Every explorer needs special skills…Today's secret code is: "AT"

Sound of the Week: "AT"

Say it together: "Aaa-t… AT!"

Silly rhyme - Clap every time you hear an AT word!

The fat cat sat on a mat — just like that!

Feed the Hungry Lion 🦁

The lion is VERY hungry. But he only eats "AT" sound food! Circle what ends with "AT"?

🐱	🐶	🦇	🐟	🐀
CAT	**DOG**	**BAT**	**FISH**	**RAT**

🧪 Mission 6: Jungle Science Magic

Imagine a tiny jungle pond where lots of little ants are floating on leaves. When a soapy monkey finger touches the pond…the ants RUN AWAY!
Let's see how!

What You Need:

- *Plate*
- *Water*
- *Black pepper powder (imagine as ants)*
- *Dish soap*

What To Do:

1. *Fill plate with water (this is your jungle pond)*
2. *Sprinkle pepper powder on top (your tiny jungle ants)*
3. *Dip finger in soap*
4. *Touch the water (you are the soapy monkey!)*

What Happened?

BOOM — ants run away!

Why?

Water has an invisible skin that holds the pepper (parents - it's the surface tension ;)). Soap breaks it—so the pepper — oops, ants — run away!

🌟 Mission Reward: Did You Know?

Butterflies taste with their FEET!

They have special taste sensors on their tiny feet so they can tell if a leaf is good to eat just by standing on it!

Mission Complete: You're a Jungle Hero!

Today your child didn't just play…they thought, explored, and created ❤️

🌟 Want more like this?

This is just **1 of 50+ guided play adventures** we've created for busy parents.

Every week, you get:
✔ A complete 30–45 min play session
✔ Mix of learning + movement + creativity
✔ Designed so your child stays engaged without screens
